ACADEMIC DEGREES

1993 Ph. D., [Russian Peoples' Friendship University](#), Moscow, Russia
Title: "Multi-dimensional solitons in nonlinear models with gravitation"
Supervisor: Profs. Yu. P. Rybakov and G.N. Shikin

1989 M. Sc., [Russian Peoples' Friendship University](#), Moscow, Russia
Title: "Interaction of charged solitons with Coulomb center"
Supervisor: Prof. Yu. P. Rybakov.

FIELDS OF SPECIALIZATION

Anisotropic cosmology, Solitons in general relativity, Electrodynamics with toroidal polarizations, Nonlinear differential equations

EDUCATION

1990–1993: Post Graduate student at the Department of Theoretical Physics,
[Russian Peoples' Friendship University](#)

1989–1990: MS Fellow (Stazher) at the Department of Theoretical Physics,
[Russian Peoples' Friendship University](#)

1984–1989: Graduate Student at the Department of Theoretical Physics,
[Russian Peoples' Friendship University](#)

1983–1984: Student of Russian Language Course at the Preparatory Faculty,
[Russian Peoples' Friendship University](#)

1980–1982: Studies at "Govt. Devendra College", Manikgonj, Bangladesh

POSITIONS HELD

- Senior Researcher at the [Laboratory of Information Technologies](#), Joint Institute for Nuclear Research, Dubna, Moscow region, Russia, since 2001
- Stipendant at the [Laboratory of Information Technologies](#), Joint Institute for Nuclear Research, Dubna, Moscow region, Russia, 1999–2001
- Stipendant at the [Bogoliubov Laboratory of Theoretical Physics](#), Joint Institute for Nuclear Research, Dubna, Moscow region, Russia, 1994–1999
- Associate Professor at the Department of Experimental Physics, Russian Peoples' Friendship University, Moscow, Russia, 2001-2002
- Associate Professor at the Department of Higher and Applied Mathematics, University of Nature, Society and Human, Dubna, Russia, 2007

VISITING POSITIONS

- Short Term Visitor at the High Energy Section, [AS International Center for Theoretical Physics](#), 2006
- Long Term Visitor at the High Energy Section, [AS International Center for Theoretical Physics](#), 1999
- Short Term Visitor at the High Energy Section, [AS International Center for Theoretical Physics](#), 1996

TEACHING EXPERIENCE

[Russian Peoples' Friendship University](#)

Undergraduate courses

- Molecular physics
- Nuclear physics
- Quantum mechanics
- Electrodynamics
